Want to Be Strong In Business. Well, you have to be able to be strong in your personal life. Many individuals are trying to keep their lives and their businesses together during these economic times. Therefore, we want to bring together the resources of our community and share the information about the services that are available in our community. We will be hosting a workshop featuring many local agencies. We know that they will share information & resources you may find helpful for yourselves, your co-workers, friends and neighbors, or just someone you might come in contact with. Everyone can benefit from this event.
